**ORDER GRANTING *MOTION FOR EXTENSION OF TIME*
TO FILE DATA RESPONSES**

This matter came before the Hearing Officer upon the filing of a *Motion for Extension of Time* ("*Motion*") by Integrated Resource Management Utility, Inc. ("IRM") on May 10, 2005. On February 22, 2005, IRM filed a petition to amend its certificate of public convenience and necessity to include a portion of Sevier County, Tennessee known as Wild Briar Ridge Subdivision. On March 11, 2005, Tennessee Regulatory Authority Staff issued a set of data requests to IRM with a requested response date of March 28, 2005. On March 29, 2005, IRM requested an extension of time until April 29, 2005 to file its response to the data requests. On May 10, 2005, IRM filed the *Motion* requesting that the Hearing Officer grant an extension of time until June 30, 2005 to file its reply to the data requests. As support for the *Motion*, IRM states that a number of responses are as yet unavailable to IRM and that an extension of time will allow IRM to retrieve the necessary information. IRM further notes that the extension will not prejudice any parties since no interventions have been filed and no scheduling order has been

entered. For the reasons stated by IRM in the *Motion*, the Hearing Officer finds that the request for an extension of time is reasonable and should be granted.

IT IS THEREFORE ORDERED THAT:

1. The *Motion for Extension of Time* filed by Integrated Resource Management Utility, Inc. is granted; and
2. Integrated Resource Management Utility, Inc. shall file its responses to the March 11, 2005 data requests no later than June 30, 2005 at 2 00 p.m.

as Hearing Officer
